Meeting called to order at 6:30 PM and roll call taken.

Audience attendance: Gary Able and DeAnna Tilley

The planning for the Christmas Tree Lighting is going forward with the event being held at Bill Fischer's building, Larkspur Elementary Choir will perform at 4:30 for a program of 20 minutes, Santa will arrive on a Larkspur Fire truck for all to see, Pony Espresso is giving ice cream certificates to all the kids, coloring pages will be available for kids to do, and goody bags for all the kids that attend.

Gary Able is coordinating with New Covenant for singing at the tree in the park. He's also asking Bill Lucero if he would be in charge of decorating the trees in the park. Lana is checking to see if helping to decorate the trees in the park can be used for the high school student's community service.

Larry Horwitz is getting bids from all the restaurants in Larkspur to provide the food for the event. Pony Espresso has already committed to fixing the chili for us.

Chamber of Commerce is providing the drinks.

Bonnie is working on getting a budget together for the Town Council and getting a price for reusable banners for the Lighting. A board member has graciously paid for the advertising in the Perry Park paper.

Korrie Euler is checking into tables and chairs from Larkspur Elementary. She's also checking on prices for luminaries to light the path to the tree once we are in the park.

The board is still going to ask for donations from Target, Kohls, Wal Mart and others in the Castle Rock and Monument areas.

Nancy is checking on decorations for the tables.
