Chairwoman Korrie Euler called the meeting to order at 6:45 p.m.

Korrie opened the meeting by noting those items on her list for the July 3 event which had not been started and asked for status of contacts and arrangements for those that had. After discussing assigned tasks and making sure of follow-ups on those items not yet firmed up Matt briefed the board on his meeting with Jim Paradise and what we can expect from festival participation. The elephants should be a big draw along with the street people. Over all everything seems to be coming together.

Matt told the Board that the Council had approved appointing Tara Dexter to the Parks and Recreation Board to replace Kathy Kramer who resigned.

He asked about status on the Hougues and no one has been able to get a response from them. Korrie heard they were too busy to participate at this time.

The next meeting on June 29 will be at the park to define the layout of tents, games, and activities for July 3. Volunteers are still needed to set up for that morning.

Meeting adjourned at 7:10 p.m.

Respectfully Submitted,

Korrie Euler
