This meeting was held at the Town Park in order to finalize plans for the July 3 celebration and chairperson Korrie Euler called the meeting to order at 6:40 p.m. **No taping of this meeting could be done due to its outdoor location.**

Korrie opened the meeting by going over her list of items and her understanding of the status of each. Korrie noted that the band had backed out and her husband volunteered to be a DJ. Lana volunteered to provide and have her husband set up the sound system. Larry confirmed the availability of the bounce rooms. Everyone else presented where they were on their assigned tasks and everything seems to be coming together.

Bill noted he was arranging for volunteer help to set up tents and help with other pre event needs.

The board walked to areas of the park where each activity was to be located. It was agreed to keep the elephants near the front by the road to minimize any damage and cleanup and for visibility from the road.

Everyone commented on keeping the rains away until late in the day after the event.

Meeting adjourned at 7:35 p.m.

Respectfully Submitted,

Korrie Euler
