PARKS AND RECREATION BOARD  
MEETING MINUTES  
January 21, 2008**

The meeting was called to order by Chairperson Nancy Manning at approximately 6 P.M. Members present were Barb Jeske, Korrie Euler, Bonnie Schwam-Munoz and alternate William Lucero. Also attending was Council Liaison Florence Burch.

Approved the minutes from January 7<sup>th</sup>, 2008 meeting.

The Parks & Rec. Board continued to discuss and make plans for the July 4<sup>th</sup> activities, including a parade, pie contest, music and games. Parade route has not been worked out.

Let each member know about the meeting with Judith Berquist in planning the park.

Bill Lucero wants to make sure the trees in the parks are protected. He suggested using wire to keep them from animals. He would like to see a good watering system/irrigation for the park.

Parking in the park is being put on hold until we see what we can actually use the money in open space for.

Bill brought up getting something for Bill McDonald for keeping Larkspur clean. A jacket was suggested but nothing has been decided.

Korrie moved to adjourn at 8:15, Barb seconded it.
