EXHIBIT C - TOWN OF LARKSPUR FEE TABLE

BUILDING PERMIT AND BUILDING DEPARTMENT SERVICES FEE SCHEDULE

The fees for building permits and services shall be set forth in Table A. Additional square foot construction costs to establish valuation shall be set forth in Table B.

The determination of value or valuation for purposes of determining and assessing the applicable building permit fee shall be made by the building official. The value of a project will be based on the stated value on the building permit application, Table B, and/or, by applying the most recent Building Valuation Data from the "Building Safety Magazine" published by The International Conference of Building Officials, whichever is greater. The valuation shall be the total value of all construction work for which the permit is issued, as well as all finish work, painting, roofing, electrical, plumbing, heating, air conditioning, elevators, fire extinguishing systems and any other permanent equipment and including profit and labor.
